UPDATE: COVID 19 CLOSURE

Hi Parents

We hope all our children and families have been keeping safe and well during this extended period of closure and that you have managed to find suitable childcare for those of you that have had to work during lockdown.

Unfortunately, although some school years will be returning to school from the 1st of June`20, JJ`s will not be able to provide after school childcare for our parents at this time.

The logistics of offering childcare for a varied aged child, school groups and shared facilities has made that impossible during the first phase of wider opening of education and childcare on our site.

With further advice and guidance from the Government over the coming weeks and consultation with the schools, we will work extremely hard to have childcare in place for September 2020.

Thank you to all our children and families that have supported us by sending your children to JJ`s After School Club over the past 18 months.

We wish all the children the very best, we have been very fortunate to have such great kids at our club and we would like to wish those that are moving on to Secondary School the very best of luck and success!

**YOU
ROCK**

We can be contacted via e-mail or telephone; we will get back to you!

Thank you all and hope to see many of you again soon.

Delia and Sally
